

When I was a kid, I would come home from school and make my own books. I would simply staple blank pages together and then fill those blank pages with words and pictures. Why would I do this? Because writing is using your imagination on paper and there is nothing more fun than using your imagination! This book, Nightmare on Eat Street is a book that I wrote after-school in the 4th grade. I've worked so hard on improving my craft, I am now using my imagination as my full-time job as a published author/illustrator.

Happy reading (and writing),

2/ Once Iggy Egg and the gang were walking on Eat Street. They saw a creepy house with its front door open. Tom Tomatoe went in first without knowing there would be a trapdoor.

But when Tom Tomatoe walked in he knew there was a trap door.

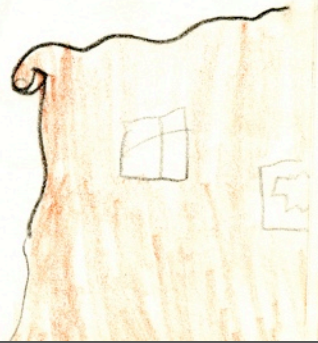

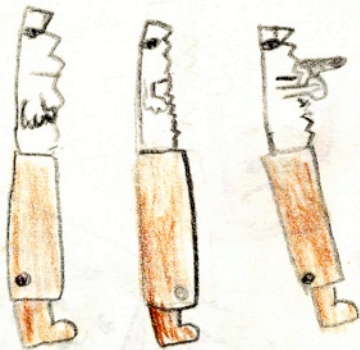

After he fell in the trap door the trap door closed and everyone else in the creepy house. But when they all got in the door closed and locked itself. The Freaky French fries are so scared that they ran quickly up the stairs.

Now back to Tom Tom  
Tom found himself in the  
basement of the creepy house.  
But whos to be there but  
Knife Nickers.

Tom Tomatoe was  
tremely frightened. Mean-  
while Peter Pumpkin fell through  
the same trapdoor as Tom Tomatoe  
fell through. Mysteriously the  
trapdoor closed again. Luckily  
Peter Pumpkin landed on  
the Knife Nickers.

Now lets go back to  
the Frieky Frenchfries. Not  
noticing it, the Frieky French-  
fries were being watched  
by

Butch

Blender.

Luckily Loui Lettuce  
went up to see the Frie  
Frenchfries. When he saw  
Butch Blender he shouted  
to the  
Friecky Frenchfries.

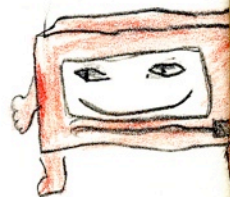

Meanwhile in the  
basement, Peter Pumpkin  
fell on the Knife  
Vickers so hard that  
they fell through the  
floor.

12/ The only problem they had is how to get out. At the same time Brenda Bread and Tom Bread sit in a seat. Their seats fall back and are replaced with new ones.

14/ They found themselves  
in a room with  
Tim Toaster.

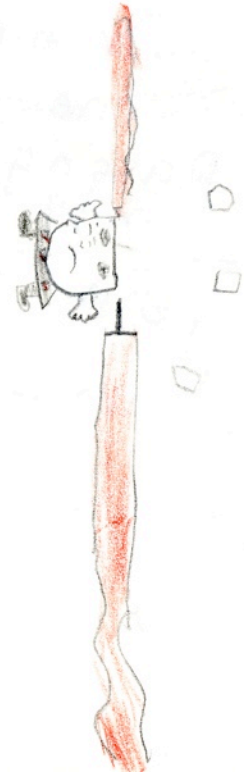

5/ Now back to the Frieck  
French fries and Loui  
Lettuce. The Friecky Frenchie  
move out

of  
the  
way  
just  
in  
time.

18.

Butch Blender got  
mad and chased the Friecky  
Frenchie. But Loui Lettuce  
Butch Blender. Then Butch  
crashes through the  
window.

At the same time  
Iggy Egg found a  
passage way to the  
Basement. When he  
to the end of the  
passageway he freed  
Tom Tomatoe and Pete  
Pumpkin.

Meanwhile Barry  
Butter and the Dunky  
Doughnuts lean against  
wall. The wall turns. Barry  
Butter and the Dunky  
Doughnuts find themselves  
in a room with Minnie  
Microwave and Mike  
Mouth.

20/

Minnie takes Barry  
and puts him in her  
oven part. Derrick and Davey  
Doughnut (two of the Dunky  
Doughnuts) try to help  
Barry out while Davey  
Doughnut is being chased  
by

Mike  
Mouth.

33/ Mean while Tim  
Toaster has caught Tom  
Bread and toasts him.

34/ Luckily Al Apple found  
and Brenda Bread. Al got  
Tom Bread out before he  
was burned. (Now Tom Bread is  
known as Tom Toast.) Al, Brenda,  
and Tom escape from Tim Toaster.

14/ At the same time Dann  
and Derrick Doughnut get  
Barry Butter out and Davey  
Doughnut puts Mike Mouth in a  
closet. Then they escape from  
Minnie Microwave. When every  
was together they broke out  
of the creepy house.
